

CURRICULUM di ANNA AVALLONE

- Laureata in Matematica con lode presso l'Università di Napoli nel 1983.

[Ammessa al Dottorato di Ricerca in Matematica presso l'Università di Napoli e conseguimento del titolo di Dottore di Ricerca nel 1990.

[Nell'a.a. 1990-91 Borsista di Ricerca dell'Istituto Nazionale di Alta Matematica.

[Dal 1991 al 2001 Ricercatrice di Analisi Matematica presso la Facoltà di Scienze MM.FF.NN. Dell'Università della Basilicata.

[Attuale posizione: dal 2001 Professore Associato di Analisi Matematica presso la Facoltà di Scienze dell'Università della Basilicata.

[Dal 2006 al 2010 Presidente del Corso di laurea in Matematica dell'Università della Basilicata.

- Referee per riviste internazionali e recensore del Zentralblatt e del Mathematical Review.

- Membro dell'International Quantum Structure Association, che riunisce studiosi di tutto il mondo di teoria della misura non-commutativa.

[Autrice di 47 lavori pubblicati su riviste internazionali nell'ambito della teoria della misura

CURRICULUM OF ANNA AVALLONE

[Degree in Mathematics at the University of Napoli in 1983 with grades 110/110 cum laude.

- [PhD in Mathematics at the University of Napoli. PhD degree obtained after the final examination passed on 1990.
- [INDAM (National Institute of High Mathematics) post-doctorate scholarship at the University of Basilicata in 1990-91.
- [Assistant Professor in Mathematical Analysis at the Faculty of Sciences of the University of Basilicata from 1991 to 2001.
- [President of Degree Course in Mathematics of the University of Basilicata from 2006 until 2010.
- [Referee for international journals and reviewer of Zentralblatt and Mathematical Review.
- [Member of the International Quantum Structure Association.
- [Author of 47 papers, published in international journals, on measure theory.
